

The mission of the Colorado Springs Leadership Institute (CSLI) is to enhance the quality and quantity of leadership in the Pikes Peak Region for the betterment of our community.

2018

Michelle Talarico  
2018-19 Board Chair

Fellow Alumni,

Thank you for another impactful year with CSLI! We continue to focus on nominating and selecting an incredible group of 16 leaders who will, like you, join boards and commissions throughout our region to create synergies and strengthen relationships in all sectors of the Pikes Peak Region, leading to positive growth and change.

We can find our alumni at work, serving on most every major initiative in our community, leading the way to a region in which people continue to want to live, work and play.

Our monthly programming continues to focus on Leadership Enhancement and Community Advancement. In 2018 we met with the Mayor & City Council, learned from industry experts on Building Crucial Boards, Leadership Burnout, Leadership Culture and more. With El Pomar, we had another meet and greet with executives new to the area or to their positions, held a legislator roundtable and a collaboration with Leadership Pikes Peak on Homelessness. Watch our website events page for all of our programs and attend as often as you can.

We have other ways you can be involved; we encourage committee involvement. Choices include Programs, Communications, Smith-Tutt Award speaker, and Selection. We are also exploring sponsorship opportunities as we look toward a sustainable future.

Thank you for your investment in our community! You are making a difference!

Sincerely,

Michelle Talarico, 2018-19 Board Chair
